Vaqueros Competitive Program Refund Policy:

It is PYSL's policy to issue refunds in the event your child sustains a season ending injury/illness, or if your family moves out of the San Diego Area. Refunds to be paid out will be based on the following guidelines. All team seasons start May 1st and continue for either a 7 month or 10 month duration. Regardless of your son or daughter's participation during this period (i.e. missing practices due to other commitments, etc.); you are charged from May 1st until the written submission to your coach of your desire to be released from the team. A \$350 administrative fee is deducted initially from your registration fee for CYSA and other league costs. After deducting the non-refundable \$350 administrative fee the remaining amount is divided over the 7 or 10 months of the contract. No fee will be prorated for a partial month. Once the month starts, you are charged the full month. Your team manager will have information regarding the length of your particular team's season.

Example: Assume your league fee is \$1,050 and your season length is 10 months. Further assume, you submit the written request to be released from the team on July 12th, your refund would be as follows:

League fee	\$1,050
Less admin fee	<u>\$ (350)</u>
Remainder	\$ 700
Divided by	10 month season
Per month	\$70

Refund	\$1,050
Less	\$ (350)
Less 3 months charge	<u>\$ (210)</u>
Refund	\$ 490

Please note: In no case, will any refund be allowed after September 30th.
